A New Year has started and we survived the budget war! It's time to renew your membership in Cincinnati Neighborhood Business Districts United, or enroll for the first time. ***THIS IS YOUR ORGANIZATION*** dedicated to helping you obtain funding through the Neighborhood Business Support Program and our annual funding program for your district's projects, and dedicated as well to assisting you with any challenges you might have.

The membership dues are \$100.00 and are due and payable by March 1, 2007. This membership entitles your district to rate projects submitted for the 2007/2008 funding cycle.

Also for the next two years the Neighborhood Business Support Program (which CNBDU oversees) will give to each NDB that applies \$5294.00 (**this may change**) for the year's projects! And, according to Invest in Neighborhoods, your CNBDU dues can come from this additional program money! When you submit your NBD Proposal form, you should list the dues to CNBDU under the Project section of the form. A copy of this letter and your canceled dues check should be turned in to Invest in Neighborhoods. This is sufficient receipt for reimbursement through the Neighborhood Business Support program.

More information about the funding process will be mailed to CNBDU members at a later date. Don't forget the City of Cincinnati has pledged in excess of \$2 million, if needed, to go towards worthwhile projects that will improve Cincinnati's business districts **YOUR BUSINESS DISTRICTS!**

Being an active part of CNBDU just keeps getting better and better, wouldn't you agree?

I am also updating our records. Please provide a name and email address for your district's primary and alternate representatives, along with the best contact number for each. Send this information to me at jr_cnbdu@hotmail.com.

Come join us and be a part of a SUPERB FUTURE for all! We shall welcome your input, and at the same time offer you the support of our CNBDU organization. You stand to reap great benefits from membership!

Sincerely,

John R Price II
